

DiGiTalks Values

Have fun. Have fun and enjoy the DiGiTalk events. Let's create a wonderful and enjoyable atmosphere for everyone involved.

Be kind. We want to create a welcoming environment for everyone, from all backgrounds. Let's treat everyone with kindness and be supportive.

Be respectful: Treat everyone in the community with respect, regardless of differences in opinion or background.

Be inclusive: Embrace diversity and inclusivity for all within the community. We do not welcome discrimination and bullying of all kinds including race, gender, religion, nationality, or any other characteristic.

Respect Privacy: Respect the privacy of others in the community. Do not share personal information without consent.

Be Responsible: Welcome a positive experience for all by observing the event guidelines and instructions provided by the DigiBete team. Ensure all content is appropriate and relevant to the event, theme or topic and avoid spamming or posting irrelevant materials.

Please report any concerns to the DigiBete team: hello@digibete.org.
