

Where To Seek Support?

Do not be afraid to seek support

Diabetes can add extra stress to life.

When we are overwhelmed, everything can feel more challenging.

Ups and downs are normal. Seeking practical and emotional support from friends, family and professionals can help the downs feel more manageable.

Where to seek support

Your GP

School or College
(Pastoral support or school counselor)

Healthcare team

Youth worker

Family member

Childline: 0800 11 11 (Under 18's)
